FAIR Opt Out Legal Disclaimer

This is not intended and should not be construed as legal advice on the right to opt out of any part of the curriculum. Your school may have a policy on opting out, and there may be applicable state or local laws regarding opting out. You should consult with an attorney before taking, or not taking, any steps to opt out. You should also review the relevant state and local laws and your school's policy regarding opting out before submitting or acting on any opt-out request.
